### Infopack

#### Practical travel info about the way to travel from Porto Airport to Lousada

We recommend you fly to Porto, “Aeroporto Francisco Sá Carneiro (OPO).

The Municipality of Lousada is located in the northwest of Portugal in geographical region of Minho, being situated within the district of Porto.

Lousada is about 45 km from Porto. The best way to travel from Porto Airport to Penafiel is to take a taxi because the connections by public transports are quite challenging. The price of the taxi is about 55,00€. It will be better to ask/confirm the price with the taxi driver before you take the taxi. You can find several taxis in front of the exit doors of the airport.

You can also ask for an UBER as it is slightly cheaper at around 35-40€.
